EVENTS

conneXion APAC - registrations closing soon!

It is less than a month until conneXion APAC in Bali and we have now [published the agenda](#). Have you [booked your ticket](#) yet? **Registrations will close on February 22.**

Join us on March 8-9 in Bali and

- **Speak face to face with the people behind the LS Retail products** - this is your chance to get answers to your questions
- **Learn more about LS Retail's technology** for hotels, restaurants, self-service retail, eCommerce – and more!
- **Meet other LS Retail partners and customers** from the region

We hope to see you in Bali!

conneXion EMEA - last chance to save up to €450!

Registrations for conneXion EMEA in Athens, May 23-24, are going well and we look forward to a hosting a great event.

The special offer for the first 100 attendees that book their room at the Divani Caravel hotel is still available but only around 30 special offer tickets are left, so NOW is your chance!

Further information on the event, the special offer and registration is on [the conneXion EMEA page](#).

Upcoming Webinar - [Register now!](#)

How to offer self-service and self-checkout with LS Retail solutions

Thursday, March 2, 2023 1:00 PM - 1:30 PM GMT

In this webinar, Sigurdur Ari Sigurjonsson, Business Development Director at LS Retail, will show you how you can use LS Retail solutions to offer self-service and self-checkout options to your customers.

Self-service and self-checkout technology can help retailers solve different

challenges at once, at the same time saving money. It's a win-win-win!
[Further information here.](#)

DEVELOPMENT

LS Insight 2023.1 released

Recently, we released a new version of LS Insight, the free BI solution with over 100 retail report pages that LS Retail offers all partners and customers.

It includes updates which have been made to the LS Insight Hotels report and it now contains 11 report pages.

[See release announcement.](#)

LS RETAIL ACADEMY

New on-demand course - LS Central for hotels

We strongly believe in empowering partners by providing as many training options for our regions as possible. We are excited to offer the below on-demand course that you can now complete at your convenience.

[CF-500 LS Central for hotels - General base course](#) is now available on-demand.

This course is an opportunity to learn how to implement and set up LS Central for hotels. Participants will learn about the key concepts and functionality. [See here for further information.](#)
